Personal Statement:

Why do you want to serve on the USAC Athletes’ Advisory Committee?

USAC has played a critical role in forming the person I am today. In my mind, USAC is not just an organization, but also a community; one that has been a part of my life for many years, and will continue to be for my foreseeable future. I think that it is everyone’s duty to give back to their community, and because of this I feel a great obligation to this organization and the competitors in it. I think serving on the USAC Athletes’ Advisory Committee is chance for me to give back to my community, and I want to take advantage of this opportunity.
