**Personal Statement:**

Why do you want to serve as an Athlete Director on the USAC Board of Directors?

Climbing is something I am very passionate about and something that I’ve dedicated myself to for the last 11 years. In those 11 years I’ve gained a ton of insight into how the competitions work, what the athletes like and dislike, and what other federations do for their national teams. I’ve developed close relationships with many of the other USAC athletes and would love to be able to share our own ideas and thoughts with the USAC board. I’d add a fresh perspective to the board because I’ve recently competed in youth events and currently compete in open events.
